Soaring ceilings and oversized windows flood the home with natural light and showcase skyline views from the main and upper floors. Upstairs, you’ll find three generously sized bedrooms including a primary retreat with a walk-in closet and a stunning ensuite with dual sinks and an oversized glass steam shower. The upper floor also includes a full laundry room. A separate level offers a fourth bedroom and full bath, ideal for guests, teens, or a dedicated office. The basement is fully finished with a large rec room, custom wet bar, and ample storage. Enjoy year-round comfort with central air conditioning. Outside, the private west-facing backyard is tiered and

low-maintenance with a BBQ gas line and access to the full double garage.
