Suite 310 is a one-of-a-kind residence of 1,228 sq. ft. with almost 300+ sq. ft. private terrace that runs the full length of the home. Designed by renowned Douglas Cridland, the interiors offers \$400,000 in upgrades that embrace a bespoke Industrial Chic aesthetic with custom millwork, designer finishes, and authentic vintage details. Every upgrade was carefully chosen to enhance functionality, beauty, and ease of living. The open-concept design features high ceilings, expansive windows with city views, and seamless indoor-outdoor flow. A custom display wall anchors the living room, warmed by a gas fireplace. The chef's kitchen showcases Downsview cabinetry, Sub-Zero and Wolf appliances, a wine fridge, and an

oversized island designed for entertaining. Dining is enhanced with tailored millwork and a Holly Hunt chandelier. The primary suite feels like a luxury retreat with bespoke wall paneling, a fully customized walk-in closet, and a marble-clad ensuite with steam shower and double vanity. Further conveniences include a stylish powder room, oversized laundry room with built-ins and sink, and abundant custom storage throughout. The terrace has been fully redesigned into two distinct outdoor living spaces, each with privacy screens, vintage industrial accents, and teak benches with hidden storage. A rare heated pea-gravel section even offers pet-friendly ease in the winter. These spaces extend your living area year-round, combining beauty with practicality—ideal for those seeking a lock-and-leave lifestyle. Additional highlights: 2 titled parking stalls, both near the elevator, each with a dedicated storage room (one enclosed, one open with custom shelving), shared guest suite for easy hosting, 24/7 concierge, secured parking, and low-maintenance living—perfect for frequent travellers or those splitting time between homes.
